

2012 Silicon Valley Power Energy Innovator Awards

Eligibility

Any business, academic, governmental or non-profit organization in the City of Santa Clara. To be considered for a **2012 SVP Energy Innovator Award**, your efforts must have taken place in 2012.

Awards

Three award categories are available to both large and small organizations. Large Organizations (more than 200 kW demand). Small Organizations (200 kW demand or less).

Environmental Innovator: rewards organization for all-around efforts to support energy efficiency and renewable energy.

Energy Efficiency Partner: rewards organization for outstanding implementation of energy efficiency programs and application of SVP rebate programs.

Green Power Champion (renewable energy): rewards organization for innovative and successful green power purchases and implementation of other renewable energy programs.

Application Procedure

To obtain an application, download a copy at www.svpower.com, email customerservice@svpower.com or call (408) 615-5651. Applications should be returned to:

Mary Medeiros McEnroe
Silicon Valley Power
1601 Civic Center Drive, Suite 102
Santa Clara, CA 95050

Applications may be supported by materials, such as photographs, graphs or other collateral.

Winners will be selected early April 2013.

Applications Due: **Friday, March 8th, 2013**

Awards Presentation:
**Silicon Valley Leadership Group
Energy Summit in May, 2013
Location and exact date TBD**
